

CB Radios

Citizens Band 2-Way Handheld CB Radio with Magnet Mount Antenna Included -

Communicate with other drivers on the road

HHRT50

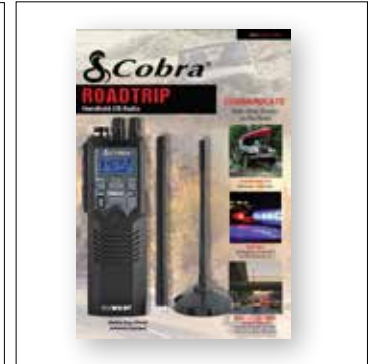

www.cobra.com

Cobra®

The HHRT 50 is a self-contained, full power 40 channel CB transceiver for sport, recreation or emergency use. A great way to get in touch with friends, or the over 30 million other CB radios in use across the country. Plus complete access to 10 National Weather Channels for the latest weather information in a portable or mobile design.

FEATURES:

- Magnet Mount Antenna Included
- SoundTracker® System Cuts noise up to 90%
- 10 weather channels provide the latest weather information from NOAA
- Compact design allows maximum portability and comfort
- 40 CB channels for full coverage in an ultra small package
- 4 Watts power output, the maximum allowed by law
- High/low power saver button reduces power consumption by up to 75% to extend battery life
- Recharging jack allows charging of rechargeable batteries in unit with AC wall charger (not included) or from the 12V port in your vehicle
- Speaker/microphone jack allows use with combination speaker/microphone accessory (not included)
- Low battery indicator flashes to let you know when batteries are getting low
- DC power cord with charge tip included for in-vehicle use... plugs into vehicle's cigarette lighter
- High efficiency flexible antenna provides maximum range and bends without breaking
- Omni-directional microphone allows voice to be picked up from multiple directions
- Up To 4 miles range. Range will vary between 1/2 and 4 miles depending on geographic terrain
