MOTOROLA TALKABOUT® MG160 TWO-WAY RADIO SERIES

The Motorola Talkabout® MG160 series has a range of up to 16 miles* for indoor and outdoor communication. Simple, compact and easy-to-use by the entire family, when shopping, on the beach, or just playing in the park, the MG series is the perfect way to stay in touch when out and about.

SIMPLE TO USE

The MG160 series radio is simple to use. Thanks to the keypad lock feature, it prevents your settings from being inadvertently changed by yourself or others. Press the push-to-talk (PTT) button and presto!, all that needs to be done is to simply talk.

A DESIGN AND FIT FOR EVERY TASTE

The MG160 series radio comes in a modern light blue and in a palatial pink. Whatever your preference, they're sure to look good. Its pocket-size design makes for a near perfect fit in the smallest of hands and suited for holding in your pocket.

CALL TONE

Alternate call tones allows you to distinguish one caller from the other. Your MG160 series radio provides you with an alternate call tone when you want to identify who's on the other end.

MSRP for MG160A and MG167A is \$29.99

Uses 3 AAA batteries (not included).

*How far can I expect my radios to communicate? The communication range quoted is calculated under optimum conditions, with an unobstructed line of sight. Actual range will vary depending on terrain and conditions, and is often less than the maximum possible. Your actual range will be limited by several factors including, but not limited to, terrain, weather conditions, electromagnetic interference and obstructions.
